

General Vision Services Adds New Stores for Retirees

General Vision Services has recently added several new stores to its participating optical panel for retirees living outside the metropolitan New York City area. Reflecting the recent trend of retirees relocating to areas other than greater New York or Florida, stores have been added in Georgia, South Carolina, Nevada, California, Pennsylvania and New Hampshire. All stores will honor the CSA Retiree Welfare Fund optical voucher, providing a frame assortment valued at \$ 80 and single vision and bifocal lenses. Small co-payments are required for generic progressive lenses and coatings. The voucher may be applied toward contact lenses in all stores except New Hampshire, and the optical examination is not covered by the voucher (the individual must pay for the examination in these stores.)

The following stores have been added to the panel:
