The Social Security Act requires some people to pay higher premiums for their Medicare Part B (Medical Insurance) and Part D (Prescription Drug Plan) based on their income. We will increase your premiums because of your income. The information in this letter about your premiums is for one year only.

If you currently do not have Medicare Part B or Part D and enroll in 2019, those premiums will also be increased based on your income.

If you have Medicare Part B the total 2019 premium includes:

- \$135.50 for the standard Medicare premium, plus
- any surcharges you may owe for late enrollment, plus;
-  \$54.10 for the income-related monthly adjustment amount (IRMAA) based on your 2017 income tax return

Your Medicare Part D IRMAA based on your 2017 income tax return is:  
- \$12.40

### Your Medicare Premiums

If you are enrolled in Medicare Part B, your monthly Part B premium for 2019 includes any surcharges for late enrollment or reenrollment, plus an IRMAA. If you have Part D coverage, you will get a separate bill for the IRMAA, no matter how you normally pay your Part D plan premium. The law requires you to pay this amount in addition to your Part D plan premium. You must pay the amounts owed to keep your Part B and Part D coverage.
